
APPENDIX D -- LIST OF FACTS II REPORTING PROVIDERS

The submission of SF 133 information through FACTS II may be done through private contractor or reimbursable public offerors. The following is a list of public service providers that may be available. This is not an exhaustive list and inclusion on the list does not constitute an OMB recommendation. It is to serve as an example of support service offerors and to provide points of contact for consideration. Agencies are reminded that out-sourcing to public or private sector support offerors involving less than ten FTE does not require an OMB Circular No. A-76 cost comparison.
